Please rewrite claim 44 as follows:

44 (Amended). The method according to [any of claims] claim 43 wherein said correction is effected by transfection with a delivery system which delivers a corrected gene, and wherein the delivery system for transfection is by use of non-viral vectors formulated in a vehicle preparation comprising one or more components selected from cationic phospholipids, phospholipids, phospholipids mixed with neutral lipids, lictosylated PEI, liposomes liposomes comprising mixtures of natural phospholipids and neutral lipids.

a^1

In claim 41, line 2, after "selected from" insert --the group consisting of--.

If, inadvertently, a proper multiple dependent claim has not been amended to reduce it to single dependency, please amend it to be dependent solely on the first-mentioned claim, or, if that is not possible, please cancel the claim and notify the undersigned.

REMARKS

The above amendments to the claims are being made in order to eliminate any properly multiply dependent claims, for the purpose of reducing the filing fee and also to place the application in better condition for examination. Please enter this amendment prior to calculation of the filing fee in this case.

Favorable consideration and allowance are earnestly solicited.

Respectfully submitted,
